PARISH COUNCIL NOTES

The monthly meeting of Bar Hill Parish Council was held on Tuesday 20th July in the Committee Room in the Village Hall.

New venue for Parish Council meetings.

The Clerk reported that following the discussion at the previous meeting, he had made further investigations into the use of the school lounge for Parish Council meetings. The results of these investigations were most satisfactory and it was therefore agreed to implement the decision made in principle at the last meeting, namely to hold future meetings in the school lounge. Would all residents therefore please note that as from August 1932 all monthly Parish Council meetings will be held on the third Tuesday of each month at 7.30 p.m. in the school lounge, unless notice is given to the contrary. We remind villagers that they are welcome to attend Parish Council meetings, although they may not speak unless invited to do so by the Council.

Planning Application for phases 9 and 10.

The revised planning application for phases 9 and 10, showing the road re-routed so as to avoid crossing the line of the hedge, was put before the Council, who discussed it in detail. It was eventually agreed to recommend approval of the application, although the need for constant monitoring of the development in order to safeguard the copse and hedge was emphasised.

Road safety.

The Chairman read out a letter he had received from local residents who were concerned at the speed of cars using Acorn Avenue, in view of the number of children who play there. The Parish Council were sympathetic to the suggestion that signs should be erected asking drivers to take more care, but would also point out to parents the dangers faced by young children playing in roads. By and large, Bar Hill is a safe place for children, but they should be warned that cars can be dangerous, and told to take care. Running out from behind parked cars is particularly dangerous. Better still, why not try to encourage children to use the many neighbourhood play areas in the village, instead of the roads? After all, that is the purpose for which they were intended.

While on the subject of road safety, the Parish Council would also ask cyclists, especially the younger ones, who cycle on the paths, to take extra care especially on blind corners. There have been several instances of pedestrians being almost knocked over, and for a toddler or old person this could have serious consequences.

The next meeting of the Parish Council will be held on Tuesday 17th August at 7.30 p.m. in the school lounge.

BAR HILL RESIDENTS' ASSOCIATION

The next meeting will be on Monday 9th August at 8.00 p.m. in the Terrapin Building at the school. These meetings are open to anyone who would like to come.

LETTER TO THE EDITOR :

SIR

THANK YOU

The kindness and the expressed good wishes of my Bar Hill friends during my recent four weeks in Addenbrookes Hospital helped to make my stay there as pleasant as it could possibly be.

I have been very grateful for this warm neighbourliness I experienced in June and July. I hope I can return it.

W. GRIBBEN

Mr. N. H. Carr, 46 Catlands Avenue, Bar Hill.

THE ENGINE THAT WOULDN'T START

We used to live in Colne, a weaving town in East Lancashire. Behind our terrace and hidden by it was a single weaving shed rather grandiloquently called Oak Mills. George, in charge of the engine-house, retired at the age of seventy, finished his last Saturday morning and the new man started the following Monday. He started byt the engine didn't so it got to eleven o'clockish and not a whisper from the engine-house except presumably a few round oaths. Of course, they had to send for George and twenty minutes afterwards - chug, chug, chug - everything was honky-dory. And, of course, the boss was duly grateful :

"Well, George, how much do we owe thee ?"

"£5-7s.-6d." Of course, you have to relate this to 1930 ish prices.

"That's a bit steep, isn't it, George ?"

"All right, I'll make thee a bill".

And this was the bill :

To fooling around 7s. 6d.

To knowing how £5.

P.S. The phrase used wasn't "fooling around", I leave it to your imagination.

Sunday School

We finished the summer term on Sunday 18th July with the presentation of some lovely books to those children who had attended sufficient times. To those of you who received a book, well done. We are hoping in future to provide each child with a small gift at Easter, instead of annual prizegiving in July.

On Saturday 17th July our Sunday School outing to Great Yarmouth took place. The weather was kind to us but the coach was not! We had to suffer a two hour delay when it broke down. I do hope that those on the outing were able to derive some pleasure from the outing. The company, G. Jennings, have been contacted to see if they are prepared to recompense us in any way.

To all our youngsters, thank you for a year of learning, listening and growing together. We will see you all back on September 5th. Have an enjoyable holiday.

Any queries regarding Sunday School to Mrs. Julia Hart, 15 Gladeside.

PLAYGROUP NEWS

The end of July sees the completion of another term at Playgroup. We send our good wishes to all our children who move on to school in September, and thank Mr. Norton and the reception class teachers for their co-operation in allowing our school visits.

We must apologise to some of our Webb Ivory customers, especially those in Acorn Avenue, for the delay in some of their orders reaching them. This was due to an administrative delay at Webb Ivory over which we had no control. Thank you for being so patient, and we hope future orders will be delivered quicker.

Playgroup has had another busy month. All the efforts of the "Double Your Money" campaign, together with donations, totalling £242.77, has meant that the new climbing frame is paid for. Thank you everyone, and thanks to the Parish Council and the Village Hall Management Committee for their donations.

The winner of guessing the date of Prince William's arrival was Janette Wright (consolation prize to Mrs. Holden).

Margaret Marin gave us a splendid beauty evening, with a demonstration and lots of tips on how to look good. It was a great success.

Sports Day was our last summer event, followed by a picnic - where a lot of food was eaten by hungry children. Sue Eden won the mums race in great style from Jenny Gant. I don't think the dads race had an outright winner, but it was all great fun.

We wish our supervisors a well earned rest, and also thanks to Jane, our administrator, who does a great job running playgroup smoothly. We would also like to thank the mothers (and non-mums) who have given up time to help at Playgroup sessions; without you all Playgroup could not function.

The new term begins on Monday September 6th.

On Saturday September 11th at the Village Fete, Playgroup will be organising several events so look out for details.

Jan Mutch, Chairman.

BAR HILL NATIONAL HOUSEWIVES REGISTER

At the end of June we had a very enlightening evening when Mr. Peter Lee spoke very enthusiastically about the S.D.P. Perhaps, after all, it is the political party we have been waiting for?

The following week several of us joined with the Comberton group to listen to Pru Krailing talk about her work as PRO for the National Group. A very interesting evening discovering how NHR has grown over the past 22 years.

Unfortunately, due to lack of support, the car rally had to be postponed. Hopefully it will be staged during August.

We have two very different meetings in August:-

Wednesday 11th August, 8.00pm at 39 Acorn Avenue - "We recommend" - the Book Group will be making their suggestions for your holiday reading. Also please bring a picture of yourself as a baby and over coffee, we will try to guess who is who!

Tuesday 24th August, 8.00pm at 57 Hollytrees - A guest speaker has been invited to talk about the aims of the C.N.D. (Non-members welcome too).

The first meeting in September is on Wednesday 8th (71 Apple-trees) - Aspects of Italy including Italian food to sample!

If you haven't yet done so, please let me have your £2 subscription fee as soon as possible.

Please contact me if you would like to know more about N.H.R. or if you would like to come to one of our meetings.

CAR RALLY is now planned
for Tues. August 3 rd.

Bar Hill Ladies' Keep Fit Club

We have had a very enjoyable and successful year, with many new members joining our club. Please contact me if you would like further information.

We are running a 'home produce' stall at the Village Fete on September 11th. Any contribution of cakes, vegetables, jams, etc. would be very much appreciated. Please bring them along on the day or deliver them to me at 107 Appletrees a few days before.

We look forward to seeing all members both 'old' and 'new' on September 20th.

GOOD NEIGHBOURS OVER 60s CLUB

On Wednesday 16th June, the Club went on a Coach outing to Woburn Abbey's Safari Park, paid for by the Parish Council to whose goodwill we are grateful. To some of us, it was an entirely new and delightful experience. The Parish Council has also donated us £50 towards the purchase of Club games, scrabble, dominoes etc., for which again our thanks. A fortnight later, we entertained some 40 members of the Edmonton Over 60s Club. They were a most congenial crowd and we hope to return their visit next May.

The Club begins its new annual programme of events in September and on the 22nd of that month an afternoon's visit is proposed to Bury St. Edmunds with tea served by the Friends of St. Edmundsbury in the Cathedral Pavilion. Non-members are cordially invited to join us on that occasion.

OUR HUT IS GROWING

The sun shone on Saturday 31st July making the "Scout Super Fete" to start with a swing. The swinging sound of "The Cambridge Jazz Band", with strawberries and ice cream, smashing.

We would like to thank all the mums and dads who worked so hard both on the day, and in organising it. Everyone, it seemed, enjoyed themselves and the effort was well worth while. A special vote of thanks to the dads who got soaked, and a very fine display by the local Karate Club.

Almost £600 was made, and together with £300 made on the "Knock-out" our funds are swelling; all we need now is official sanction for the land, so we can now start building.

CUB SCOUTS - FRIDAY EVENING PACK

Eighteen boys from the pack went camping to East Harling in Thetford Forest over the Spring Bank Holiday weekend at the end of May. Here are two reports on that camp, firstly from Simon Pope, one of our older Cubs and secondly from Luke Wright who was attending his first camp with the Pack.

This year at cub camp it was a bit different from previous years as we had tents which slept six instead of three. My dad and Jamies dad came along too (they must be mad!)

On Saturday 29th we went to Banham Zoo. We had a picnic lunch which consisted of jam and cheese sandwiches, apples

and orange drink. It was a very nice day out. In the evening we had a camp fire with some Scouts who were staying nearby, personally I did not think much of it. On Sunday 30th we went to Grimes Graves it was an interesting venture. We had a picnic lunch on this trip also. In the evening we had a camp-fire by ourselves, this was better than the previous one.

On Monday 31st we completed our Athlete Badges which we had been doing during the camp. At about 4p.m. we took down the tents and parents took us home.

Simon Pope

On the 28th May I went to my first camp, it was magic. I was pleased that you could pick who to sleep with, I lost my vest because I was sleeping next to the back door. At 12 o'clock we had a mid-night feast. We went in the woods and to the Zoo. Then we went to Grimes Graves, I thought Bagheera was going to break the ladder. When we got back to camp we went to the camp shop and bought some sweets for another mid-night feast. We all had a little nap. Then we all had a water fight, I got soaked. Then it was the last night in the tent so we had our mid-night feast. In the morning we had to be picked up by the dads I was sad that we had to go home.

BAR HILL TOY LIBRARY

During August the Toy Library will be open on the following dates:
Friday 6th August
Friday 20th August

from 2.15pm until 4.00pm in the Farm House.

Thank you to everyone who took part in our Sponsored Trundle on July 24th. We will let you know the total raised, and the toys we have spent it on later.

For the benefit of anyone new to the village, a few words of explanation. The Toy Library exists to provide children with greater opportunities for imaginative and educational play by making available for loan a wide range of toys and equipment. There is an initial membership fee of 50p (this covers one family, irrespective of the number of children) and a charge of 20p per fortnight for each toy borrowed. Jigsaws may be borrowed for 10p per fortnight. We are always pleased to welcome visitors to the Toy Library (provided they can stand the noise!) so if you are interested, do come and have a look round. No pressure will be put on you to join. It could be a good way of keeping the kids amused during the holidays....

Our present range of toys is chiefly aimed at the 2 to 5 age group, but we would like to provide more for both the under 2's and children of school age. If you have any suggestions for either age group, please let us know.

CHILDMINDERS TEA PARTY

Result of Guess the Name of the Royal Baby Competition

Well I'm glad to say the Tea Party that took place outside the Village Hall on Wednesday 16th June was a great success thanks to willing helpers, in particular Eileen the Caretaker, who is not a Childminder, I would like to say a special thanks for getting us all going and for her great knowledge of the tea urn.

There were 50 or so mums, the odd dad and about 80 children, the weather turned out marvellous and everyone seemed to enjoy themselves.

We had 35 entries for the 'Name the Royal Baby Competition' of which we had 9 James', 8 Charles', 6 Louis', 5 Georges and a few Edwards and Phillips in varying positions in the name. The most popular girls name was Elizabeth, but again this was not always chosen for the first name. There was only one William and one Arthur and both of these won a share of the large pot of Jelly Babies, Val Carter with William had the lions share as the outright winner and Carol Corby, who had entered James Arthur, I thought deserved the rest.

Hope all who attended enjoyed the Tea Party and felt it was good value, I know the Childminders were very pleased with the turn out. Till the next event.

BAR HILL MOTHER AND TODDLER GROUP

Are you at your wits' end trying to amuse your toddler? Would you like to take him (or her!) out once or twice a week to play with other children? If so, hard luck - Toddler Group doesn't open during the holidays! However, as from early September, we shall be holding our regular five sessions each week at the Church Centre, where for 50p a session your child can play with a wide range of toys and equipment, in the company of other children. You might pick up some new ideas on things to do at home too,

If you are interested and want to know more, please ring Jane Egan on Crafts Hill 80801 or Jo Hall on Crafts Hill 80304.

SUNSHINE PLAYGROUP

We are having a picnic on the green behind Otter Gardens (near the blue slide) on Wednesday 25th August at 2.00pm (weather permitting) for our September intake of children. The Committee thought this would be a nice way for the children and mums to meet the supervisors Diane Gunton and Sandra Mole, and each other in a relaxed atmosphere before the Playgroup opens. Mums please bring a blanket to sit on and some food which is to be pooled. Squash will be provided. We hope to have some games, singing, etc., so we hope it will be a nice afternoon for everyone.

We open our doors for the first time on Tuesday 7th September at 9.30am. To mark this special occasion we shall be holding a "Grand Opening Party" where we hope to have a carnival atmosphere with balloons, streamers, games, fizzy drinks etc. We have contacted Radio Cambridgeshire about our big day and hopefully they may pop in to see us during the morning. We have invited Mary Blackburn from Social Services to cut the ribbon and declare us well and truly open. If you would like to drop by and see how the party is progressing please do so, you will be made most welcome.

Our normal hours after our first big day will be 9.15am to 11.45am. Mums please be back in good time to pick up your child, who I am sure will be dying to tell you all the things they have done during the morning. If your child does not settle when you first arrive please feel free to stay as long as you like, until you are sure your child is happy. You will not be in the way.

On September 11th we are having a stall on the Bar Hill Pete selling Home Made Produce. If anyone would like to donate a jar of jam, pickles, cakes, something from the garden, knitting sewing etc., we would be most grateful.

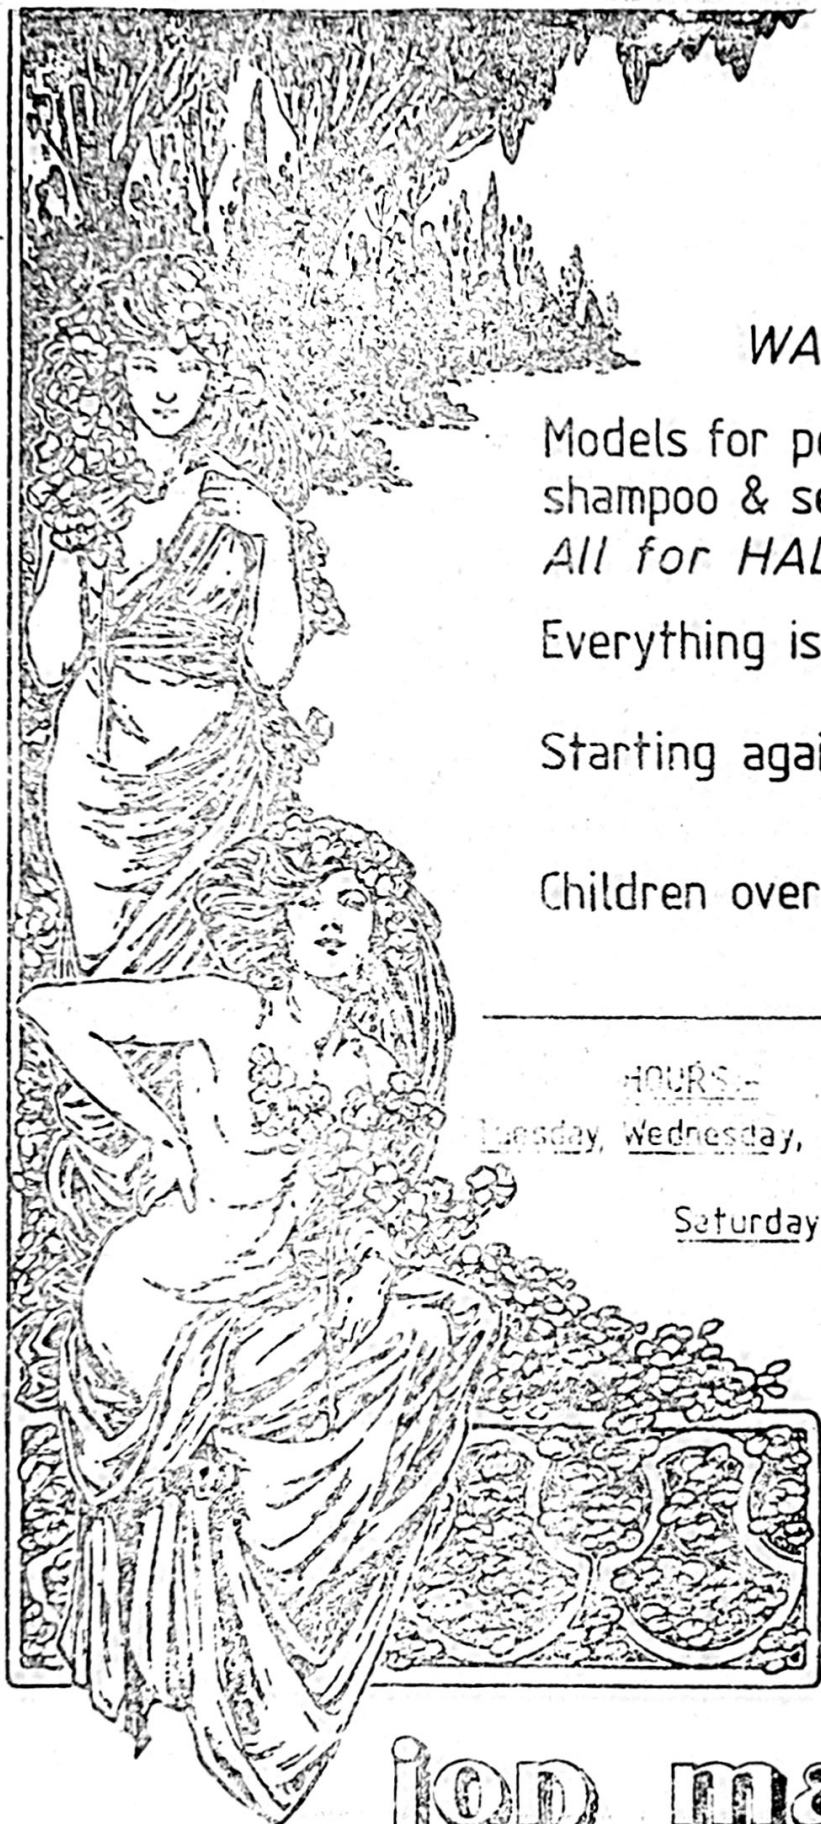

If you have any queries concerning the Sunshine Playgroup do not hesitate to contact the supervisors Dianne Gunton and Sandra Mole or any of the Committee, who will be only too willing to help.
